THE STORY

READ THE STORY. EXPERIENCE THE BIBLE.

New Creation: The End Part 2

Revelation 21:1-8

The main idea of Revelation 21:1-8:

Jesus Christ is the ultimate, absolute beginning and ending of all things and all believers find their eternal existence in Him and for His glory.

The following questions can be used during a family worship time. Take time as a family this week to talk about the Story and what you are learning as you read. The hymns on the next pages are from our worship service. Sing them together as a family during your family worship time this week.

Discussion questions:

What do you think heaven will be like?

What was John's response when he saw Jesus in the vision? Why did he respond this way?

Why is it important to think about and set your hope on Jesus?

The end of the story is this: God will be with His people. This has been His goal from the beginning for the sake of the glory of His name. What can you do on a daily basis to stay close to God and have a dynamic friendship with Him?

As a family:

Think back over your journey through The Story and reflect on all you have learned. You might want to look back over any notes you have jotted down. Thank God over and over again, for His loving persistence with us!

Let's review the movements of the story...
