The main idea of Deuteronomy 8:11-20:

Remember the Lord your God by obeying His Word and trusting His ways.

The following questions can be used during a family worship time. Take time as a family this week to talk about the Story and what you are learning as you read. The hymns on the next pages are from our worship service. Sing them together as a family during your family worship time this week.

Discussion questions:

When was the last time you got something that you wanted really badly? What was that something? What made you want it so much? Did you thank God for it?

Describe some of the ways that God might help us recalculate our life direction and get back on track when we are wandering.

Why is God so radically opposed to sin?

What will help us hear and respond more quickly when the Lord is seeking to lead us? What is one area of your life where you would like to be more responsive to God's leading and how can your family members support you in this?

As a family:

Find one or two wise men or women of faith that know you well and ask for their insight and perspective on your life. Share how you are seeking to follow God and where you feel you are wandering off course. Invite their wisdom and prayerfully listen to them. Consider asking if they will meet with you on a regular basis to be a sounding board as you seek to walk with Jesus.
